CORE TECHNICAL SERVICE

- Electrical Systems Maintenance
- Plumbing Systems Maintenance
- Technical Support & Repairs
- Emergency Technical Intervention
- Preventive Maintenance Programs
- Maintenance Contracts for Businesses

EPW Technical Group maintenance packages are designed to provide businesses with predictable costs and priority technical support. Hours can be used for any required intervention within the electrical and plumbing maintenance scope.

For many businesses, a technical problem means lost time, lost customers and unexpected costs.
EPW Technical Group was created to provide companies with fast, reliable and predictable technical support.
